WANDERING WHEELS, LTD- Square Dance Camping Club October 2018

The October 2018 Wandering Wheels Campout was held in Hutchinson at the McLeod County Fairgrounds. We had 17 rigs, four of which were guests for the weekend!

Lisa Caspersen, Mike and Sandy Driscoll, and Debbie Freed attended Friday's dance as representatives of the Federation helping to promote the 2019 Minnesota State Convention.

Our caller for the weekend was Phil Miller from Staples. Many of us had not danced to him before and he did not disappoint us. He called very fun dances and even entertained us with a song and his guitar before each dance started.

All of our guests Friday evening!

Since the weather was pretty wet and cold, the bonfire was cancelled for Friday evening. However, Gene and Joy Johnson just couldn't give up the thought of a fire, so they had one in their camper when their refrigerator caught on fire Saturday morning. Fortunately they were able to put it out right away with their fire extinguisher. Thankfully no one was hurt and they still have their beautiful camper (minus a refrigerator).

Also, since there wasn't a bonfire, a group of campers got together to play cribbage. Around 12:30 they called it a night but were surprised Dubs didn't keep it going even later since the girls walloped the guys! He looks OK here Saturday evening, so guess he got over the loss.

Another mishap Saturday morning: Pete Putman's battery was dead! Don Keyes came to the rescue once again!

We played Bean Bag Baseball on Saturday afternoon. Monica just wanted to make it to first base and she didn't quite make it! Next she needs bigger holes. Bob didn't make it to first base either! But...Maynard had 2 homeruns in a row!

Here's Don Keyes, Jay Orton and Joan Lemke waiting for the next homerun so they can score!

We had a great turnout for the bonfire Saturday evening. Many of our guest campers and Phil Miller and his wife also attended the bonfire. As usual we had interesting conversation and a good laugh when Barb Decker went back to her camper to try to find her headband. She didn't find it in the camper though, it was around her neck!

Ever wonder why Tim and Jackie park under the bleachers? Rumor has it they are writing a book: Under the Bleachers; coauthor: Seymore Butts.

Speaking of butts, we noticed Mary Simcoe sits on a pillow. Does that make her a pain in the butt? We love you Mary, no offense attended!

We ended the weekend with breakfast together. Don and Monica were eating when they suddenly asked each other if they had paid. Nope, neither one of them had!

On a sad note, Mary and Tom Simcoe have decided to sell their truck and camper. If you know anyone who may be interested, contact Mary at 763-755-7359 or cell 612-670-3227.
